Jennifer is a manager in the Client Accounting & Advisory Services practice of Saltmarsh, Cleaveland & Gund. She serves our clients by providing support for QuickBooks® and other accounting software programs. Her areas of expertise include preparation and review of financial statements, cash flow projections and budgets as well as preparing, processing and filing payroll and sales tax returns.

Jennifer has over 25 years of accounting and bookkeeping experience for various industries such as real estate, vacation rentals, HOAs, healthcare, non-profits and retail. Prior to joining Saltmarsh, Jennifer worked as the Director of Accounting for a local hospitality and resort management company.
